Doing Business with the USA

U.S. Embassy Invites Kyrgyz Businesses to attend "Doing Business with the USA" Seminars

The U.S. Embassy extends an invitation to Kyrgyz businesspeople to attend a "Doing Business with the USA" seminar in Bishkek or in Osh. The seminars are designed to provide insights to Kyrgyz companies regarding how to conduct business with U.S. partners and identify future business opportunities. The Bishkek seminar will take place at the Hyatt Regency on March 26, and the Osh seminar is scheduled for March 27 at the Osh Regional Library.

"Since my arrival to the Kyrgyz Republic last August, I have noticed an intense desire among local businesspeople to develop business ties with U.S. companies," U.S. Ambassador Tatiana Gfoeller noted, "and I hope that local businesspeople will take advantage of the Bishkek and Osh seminars to gain insights into how to build business relations with U.S. companies." According to U.S. data, U.S. trade with the rest of the world grew by \$280 billion from 2007 to 2008. "Even with current global financial and economic difficulties," Ambassador Gfoeller added, "there are opportunities for Kyrgyz companies to expand their business and trade relations with potential U.S. partners. These seminars will identify methods for Kyrgyz businesspeople to develop these trade relationships."

The U.S. Embassy encourages businesspeople to attend, bring questions, obtain information and use the knowledge gained at the seminars to reach out to new business partners in the United States.

The seminars are intended for Kyrgyz companies and businesspeople. Participants must complete a registration form, which can be downloaded from the U.S. Embassy's website (<http://bishkek.usembassy.gov>), and submit the form by March 24 via e-mail to BishkekCommerce@state.gov or via facsimile to 0312-551-264 (to the attention of Artyom). Provisional agendas for the seminars are also located on the website.

For more information, please contact the U.S. Embassy's commercial section at 0312-551-241 ext. 4403 or by e-mail at BishkekCommerce@state.gov.

The seminars will be conducted in English and Russian, with translation provided. Registration is required because seating is limited. There is no fee for attending the seminars.
